

...WE'VE SET OUR ROADMAP TO NET ZERO CARBON...

Our Roadmap to Net Zero

As the need for urgent action to respond to the climate crisis grows, and occupiers demand more sustainable spaces, we have set out our Roadmap to Net Zero, outlining how we plan to meet our ambitious 2030 target. With the bulk of our carbon footprint outside of our direct control, we are working together with our occupiers and supply chain to create innovative solutions and pioneer new technology to reduce our collective carbon emissions.
